After approval 1-2 days to assemble and transport company picks up the goods from the warehouse, if for the account of the buyer, he chooses his TK. Buy lamp star. Interesting observation: range of procurement depends on the area of Geraldton, in the Khrushchev with the grandmothers selling well cheap lamps maximum pinned to the ceiling. In the older parts of the city of Geraldton with high ceilings or areas of buildings - lighting at a higher price or on chains. But, generally it is best to sell the cheapest cards.
